Patriotic Americans fly their American flags a great deal, and some of those flags have become torn and tattered. The Boy Scouts of America will properly retire Americans flags at a ceremony on Saturday, June 7, 2008. Flags can be retired in the name of an individual, group, ship, aircraft, platoon, air wing, etc.

All units are encouraged to come out and represent Scouting in Suffolk County. Units should arrive around 11:00am to help separate and fold flags and assist with setup.

If your unit plans on attending and would like to be a part of the ceremony, please contact Steve O'Donnell at 631-664-3594 or Lauren Vlachos at 631-924-7000 ext. 37 or lvlachos@bsamail.org.
